- Databases MS.Access, MySQL
- CAD Drawings Autocad, Sketchup
- Mapping Remote sensing, GIS

RELATED CERTIFICATIONS + WORKSHOPS

- ICDL
- English

Major Experiences

HELWAN UNIVERSITY CENTRAL LIBRARY GIS SYSTEM

Helwan University 2015

It was a project uses gis technology to control the library (rooms, books, etc..), that system designed using photoshop for graphics, cad for some drawings, gis & remote sensing for mapping and positioning and VB.NET with visual studio as the coding language and the framework.

PYTHON 3 - COURSE

RTC Helwan 2016

I was the teacher instructor for one round course that covers python 3 concepts, and here I figured out you can't teach heavy martial to low-class students, it took from me a while to figure out the best way to be the most wanted instructor.

HELPING WITH SOME GRADUATION PROJECTS

Universities 2014 : Now

I'm helping my friends from my class and computer science classes using (.NET / HTML / CSS / Bootstrap / Python / and a few more).

Skills

Python

JavaScript

C#

Graphics

Office Suite

PyQt

VB.NET

MySQL

Web design
